## **SKI and SNOWBOARD TECHNICIAN Job Description**

Blue River Sports has been in business under the same ownership in Breckenridge since 1982. Mountain Wave was opened in 1993 to accommodate the snowboard business. Our primary business is ski and snowboard rental. We have been successful by offering a good product at a fair price with an emphasis on customer service and satisfaction.

### **QUALIFICATIONS**

Good communications skills and a positive attitude toward customers and co-workers. A demonstrated ability to be a team player. A strong work ethic. Previous experience working with the public is helpful. Ski industry experience is not necessary.

### **RESPONSIBILITIES**

1. Proper selection, fit and adjustment of the customer's skis or snowboards, boots, bindings and poles according to their height, weight, and skiing ability.
2. Tuning, repair, care and storage of this equipment. After training and demonstrated ability, technicians will be expected to tune outside customer skis and boards.

### **PAY & BENEFITS**

1. \$15.00 per hour. End of season bonus of \$1.00 an hour will be paid for every hour worked. EMPLOYEE IS NOT ELIGIBLE for bonus unless they have worked through end of season (approximately April 12).
2. Epic Local Ski Pass. We will purchase the pass for you upon completion of the week-long training.
3. Employment will be terminated no later than April 30.
4. Shop employee prices on hard goods and 25% discount on store merchandise.

### **HIRING PROCEDURES**

Apply in person at **Blue River Sports** or **Mountain Wave Snowboards**, 600 S. Park Ave. (Der Steiermark Bldg.), Breckenridge. Applications may also be accepted by e-mail at brs@blueriversports.com.

Selected applicants will be scheduled for in-person interviews beginning mid-September.

Successful applicants will start in the beginning of November with five days of mandatory training. Work will be flexible and part time (guaranteed minimum 20 hours per week) between the end of training and December 13th and full time thereafter.
